Scott Resigns Village Board At Meet Friday

Village Board Is Without Quorum; Bartlett To Make Appointment

Walter I. Scott, veteran member of the Antioch village board for sixteen years, announced his resignation from the board at a special meeting held Friday evening. Reason for the resignation was to enable him to accept the job of water and sewer commissioner for the village.

The water and sewer commission position will relieve the pressure on other village employees, who have had to take this work in addition to regular duties. The new sewage disposal plant, which is in operation will require much attention, also.

This act has left the village board without a quorum, or at best a doubtful one, since the board has been reduced by the fact that Winsor Dalgard resigned upon leaving Antioch; and Frank D. Powles is no longer living in the village. Powles submitted his resignation some time ago, but it was not accepted by the board because of the short time remaining in the current term. President Bartlett, however, said that in certain legal matters pertaining to finance it was uncertain whether or not Powles would be able to act.

These facts, together with Scott's resignation, leave the board with only three members, and four are required. President Bartlett said today that a special meeting would be held in the very near future, at which he would submit names of his appointments for confirmation by the board members.

Inspect Fire Barn

An inspection tour of the new fire barn was made Friday by the board in company with Architect Latz, designer of the building. Some minor details which were not entirely satisfactory were discovered, and a letter to Ed Kidera, the builder, will apprise him of them. Kidera has expressed willingness to make any changes which are not installed in conformity with the specifications.

"Bonecrushers" to Come out of Long Retirement Jan. 27

The basketball team, famous for years at Lake Villa for the name "Bonecrushers" will come out of retirement to try to give the current Lake Villa young men's cage team their comeuppance on next Thursday, January 27th.

The Bonecrushers will have a lineup which is partly new, but one or two of the players from years gone by will appear. The lineup will include Herman Wolff, Len. Armstrong, Harry Pavel, John Fath, Frank Jacobs, David Schrum and Russell Nickerson.

The game will be played on the Lake Villa gymnasium floor, and is one of the regular series of games there, with the young men's team as sponsor. The public is invited to attend the game.

Bandit Who Held Up Salem Post-Office Is Nabbed

John G. Wenman, Kenosha, an ex-convict was arrested yesterday in New Orleans by postal department inspectors. Wenman held up the Salem postoffice on January 10. He was arrested in a stolen car, and it was found that he was also the robber in the Riverside tavern stickup at Wilmet, December 31.

He was released from the federal prison in Leavenworth last June and had made his home in Kenosha since. The mandatory penalty for postal robbery is a 25-year sentence.

Semester Exams at H. S. Next Week

Students at Antioch high will show how much (or how little) of the subject matter they have retained the past semester on next Thursday and Friday, January 27 and 28, when the semester-end examinations will take place.

All tests will be given during the morning hours, with school to be dismissed at 12:25 on both days. Grades for the first semester will be given out on Wednesday, February 2. The new semester will begin on January 31.

Operation On Fred Peterson Wednesday Is Very Successful

Police Chief Fred Petersen, who has been in Victory Memorial hospital since January 11 for observation, underwent a major operation yesterday morning. He is reported to be recovering nicely and his condition is described as "not dangerous."

The operation, which corrected a perforation of the colon, was performed by Dr. I. L. Breakstone and Dr. Freeland of the hospital staff.

Fred will remain in the hospital for about three weeks, and in about six weeks will require another minor operation, after which he should be his usual genial self.

The third grade pupils at Antioch Grade school took up a collection for the purchase of flowers for Fred Tuesday. The flowers are to be delivered today. He is a great favorite with the grade school pupils, due to his work in guarding the school crossing at the school.

R&J Chevrolet Sales To Hold "Open House" Saturday and Sunday

In conjunction with the first showing of the new 1949 Chevrolet this Saturday and Sunday, the R&J Chevrolet Sales, Main street, will hold open house in order to acquaint residents of the community with the new facilities which have been added during the past few months.

The showroom has been enlarged; the parts department moved and the shop equipment augmented by the installation of many new pieces of equipment. The addition to the building is now ready for use and the combined facility allows work on eighteen cars at one time. Guests are invited to call at the garage Saturday until 9 p. m. and Sunday until five p. m.

\$12,000 Loss at Venetian Village Home Last Friday

A disastrous fire at the home of Mr. and Mrs. C. French in the new Venetian Village subdivision at Lake Villa, caused damage estimated at \$12,000, and narrowly missed injuring Mr. French last Friday, Jan. 14, at about 3 p. m.

Cause of the fire is unknown, and it was discovered by Mr. French who is employed nights and was sleeping. Fortunately he was awakened by the flames and escaped the house with only slight burns, although he was almost overcome by smoke and received first aid treatment.

All furnishings of the house were consumed by the flames and the inside walls and ceilings were damaged beyond repair. The Lake Villa Volunteer fire department vainly fought the flames and were able to keep the flames from spreading and were responsible for saving the part of the house undamaged.

Mrs. French is the mother of Mrs. Ross of Marine Grove, Petite Lake.

Weather Reports to Be Furnished Each Week by J. L. Dupre

Of interest to local residents will be the series of weather reports and forecasts, which will appear each week in the News.

The forecasts are being presented as a service of J. L. Dupre, owner of the Lake County Sheet Metal Works. The weather for the coming week will appear in the advertisement on page 2 of the News and is sure to attract a great deal of attention.

Clayton O'Haver, also of the company, is in charge of the service, and he avers that the forecasts have been proven to be 90 per cent accurate in the past.

Round Lake Curfew Set for 10:00 P. M.

The curfew ordinance, which has been on the pan in the three Round Lake area municipalities for some weeks, calls for all children under the age of 21 to be off the streets by 10 p. m., unless accompanied by an adult. The ordinance which is in the process of preparation will be in effect some time after February 10, to allow sufficient time for adoption and publication.

Need for the ordinance is blamed on the many acts of vandalism perpetrated by minors in the three communities, and the ordinance is a step in curbing this condition.

3 Match Games at Antioch Rec. Will Help "Dimes Drive"

O'Farrells Pabst Blue Ribbon Team To Meet Antioch Builders

Carl Gibson, proprietor of the Antioch Recreation, announced today that as in past years, a special night would be arranged for to help swell the "March of Dimes" fund. This year three match games are set for the evening of Saturday, January 29.

Bob O'Farrell's Pabst Blue Ribbon team, of the classic league, Waukegan will meet the Antioch Builders match team; and two other teams of the Waukegan Classic league—Thor's Club Villa and Canelakes Island will meet in a "grudge match". The latter match is being held here, on neutral alleys, because neither team would consent to bowling in where the members were at home on the alleys.

The third match will be between Smith's Slide Inn ladies team and the Ketteridge Truckers ladies team of a Waukegan league. The ladies match should prove to be a close one, as the averages of the two teams are only three pins apart.

The O'Farrell team is sparked by H. Sandus, league leader with a 194 average, and other members of the team are A. Jerabek, Bob O'Farrell, A. McCann, and W. Dethorne. The Builders lineup will include Emil Hallwas, William Keulman, Jr., Carl Gibson, Skinny Gerretsen and Ed Kania. The O'Farrell team is leading the Waukegan Classic league and should provide good competition for the Builders. Both teams will average over 950.

Canelakes team includes Tom Drasler, Jack Needham, Lars Nordmar, Tony Russell and Mike Miholic. Three of these men hold averages of more than 190 and two are in the high 180 bracket. Against this team Thor's Club Villa will put Wm. Alfano, Chas. Russell, Al Kornen, Al Fritz and Red Junewitz. Two of the team hold averages better than 190 and three are in the high 180's.

All together the three match games should provide some real entertainment for the local bowlers. A collection for the March of Dimes will be taken up after the first game of the matches, which will start at 9:00 p. m.

Chamber of Commerce Sycamore, Ill., Has Shower on B. Osmond

A letter, received today from Wm. Bellendorf, of Sycamore, Illinois, reports on a "lovely pink and white" shower which was held on Mr. Bernard Osmond, a recent father, in the walnut room of the Fargo hotel. Bellendorf's report goes on to say that "Mr. Osmond was showered with many gifts, both useful and unique, and that a delicious buffet lunch was served from tables prettily arranged with flowers of the season."

Osmond, who is a son of Mr. and Mrs. Lester Osmond, has held the post of secretary of the Sycamore Chamber of Commerce for the past several years and naturally comes in for a lot of good-natured ribbing from the businessmen there.

The cause of all the uproar, Timothy Harry Osmond, was born on January 12, at Sycamore, and this being the first child of the young couple, there is no doubt but that a wealth of advice, both good and bad, has been tendered by members of the organization.

Mundelein Swamps Grade Cagers In Two Games Friday

Antioch's grade school basketball teams were both defeated in a double-header at Mundelein last Friday evening. (The scores must have been pretty sad from an Antioch standpoint as they were not revealed by informant).

Next scheduled games will be played at Antioch high school gymnasium with Lake Villa as opponents, on Friday, Jan. 21. Two games will be played.

Party At Channel Lake School Feb. 5 To Benefit School

A card and bunco party, proceeds of which will be used for repairs to the school building will be sponsored by the Channel Lake school board on Saturday evening, February 5.

A dance will be held after the card playing with music to be furnished by the Harriss Brothers orchestra.

Several different card games will be played and a pot luck lunch will round out the evening.

Scout Cub Pack To Meet Friday At Scout Home

The regular meeting of the Cub Pack of Antioch boy scouts will be held at the scout home on Friday, January 21, according to announcement made today by T. R. Birkhead, chairman of the cub pack committee. The cub pack was organized last fall and many boys of proper age had joined.

All Cub Scouts and their parents are urged to be present. Parents that have boys of Cub Scout age, that is between the ages of 9 and 12, are requested to attend this meeting to familiarize themselves with the purposes of Cub Scouting. Any boy who is now or will soon become of the age at which he will be interested in Cub Scouting is cordially invited to attend. The charter which was recently issued to the local pack will be presented on this occasion.

Pins, insignia and badges will be issued on this night to Cub Scouts that have earned them. Mr. Fred Pelz, the Cub Scout representative on the Executive Committee of the North Shore area will be present to further acquaint cubs and their parents with the aims and purposes of Cub Scouting. Mr. Clifford Petersen, Scout Executive of the North Shore area will be present to present the charter to the pack and lend his assistance to the program. Regular monthly meetings of the pack will be held at the Scout House at 7:30 p. m. on the 3rd Friday of each month. Cub Scouts, parents of Cub Scouts as well as persons interested in Cub Scouting are welcome and urged to attend these monthly meetings. Six den which include approximately 35 boys are meeting weekly under the direction of Cub Master Charles Larson, den mothers and den chiefs. Persons interested in knowing more about Cub Scouting are urged to contact Cub Master Charles Larson or Assistant Cub Master, M. R. Curtiss.

Joe's Delicatessen Will Open Saturday

A new business, which Antioch has been without, will be opened this Saturday when Joe's Delicatessen opens for the first time. The owner, Mr. Joseph Strahammer, has been a resident of Rock Lake in the summer seasons for six years and is well-acquainted here.

The new store, located in the Brogan building formerly occupied by Dalgard's grocery, has been completely re-decorated and some new fixtures have been added to those which were in the store.

Fancy foodstuffs will be featured, including a full line of cheese, frozen foods, canned meats and fowl, candy and other foods. Salads will be available a little later and other prepared, read-to-eat foods.

A feature on the opening day will be the presence of Fred Koch who will be on hand to give out samples of the famous home-made sausage of his manufacture. This line will be stocked at the store. Cold cuts of all kinds will be available also.

Strahammer has operated a delicatessen at 1721 west 63rd street, Chicago, for the past twelve years, and plans to sell this business and make his permanent home at Rock Lake.

Mr. and Mrs. J. E. Horton visited Mr. and Mrs. Ed Jansen and Mr. J. M. Horton, of Racine, last Thursday evening.

Proclamation

WHEREAS, infantile paralysis last year struck our Nation with intense fury, taking savage toll of thousands of little children, and

WHEREAS, during the past six polo seasons more than 100,000 Americans have been stricken by this crippling disease, and

WHEREAS, the services of the National Foundation for Infantile Paralysis and its 2,819 Chapters were at hand to aid those stricken, and

WHEREAS, in so doing last summer the National Foundation exhausted its epidemic emergency aid fund, and

WHEREAS, the 1949 March of Dimes, January 14 to 31, provides the only means by which the National Foundation and its Chapters may continue to fight infantile paralysis, by aiding those stricken, while financing research to find a preventive or cure, and

WHEREAS, infantile paralysis is certain to strike again next summer, and adequate resources must be available to meet its menace.

THEREFORE, I, George B. Bartlett of Antioch do hereby appeal to each and every resident of Antioch to join zealously during the period of January 14 to 31, in making the 1949 March of Dimes the most successful in local history.

(Signed) Geo. B. Bartlett
Date Jan. 20, 1949
(SEAL)

Fox Hunt at Fox Lake Set for Sun.; Will Attract Many

A fox hunt, sponsored by the Chain O' Lakes sportsmen's club, will be started promptly at 10:30 a. m. next Sunday, January 22. The hunt will cover the territory lying between Grand Ave., and Route 120, and east of Wilson road.

Gathering places for the hunters are listed as Erickson's Barber shop, Fox Lake; Grant Township High school; Wilson road at the R. R.; Wilson and Big Hollow roads; Wilson road and Rt. 120; Wilson road and Route 59A; and Route 120 and Route 59A.

A release from the club states that hunters will be met at these designated spots to be given instructions by members of the conservation department, who will be in charge of the hunt.

Hunters are requested not to bring firearms, saying that only clubs and noisemakers will be necessary. An airplane will be on hand, cruising over the hunt to locate any foxes which may be driven into the center of the area to be covered. Signals to the hunters will help to co-ordinate the hunt.

Members of the committee expect over a thousand men and boys to take part in the hunt, and many from here will attend.

Sequoit V. F. W. To Sponsor Operetta Saturday Evening

An operetta, "The Rescue of Princess Rosebud," written and directed by Miss Yvonne Petersen, will be staged Saturday evening at Antioch high school auditorium. The production is under the sponsorship of the local post of VFW.

The operetta, which will feature a number of local persons, both young and old, is a fantasy which depicts the rescue of a kitten and its small mistress.

Other attractions will include the O'Shea baton twirlers, and other dancers and acts. Tickets are available from any member of the VFW. The performance will start at 8:00 p. m.

August Wickert to Replace C. L. Kutil On H. S. Faculty

Kutil Forced To Take Long Leave of Absence By Health

Proof that the teacher shortage is becoming less prevalent is the fact that Principal T. R. Birkhead of Antioch township high school was able to obtain a replacement for C. L. Kutil in three days. Birkhead said that although it may have been just "luck" that nine young men graduated from the University of Illinois school of agriculture this semester and that only four jobs in the state were open for them.

Birkhead interviewed four of the graduates at Urbana on Thursday of last week and chose August Wickert. Mr. Wickert visited Antioch on Saturday and before the day had passed, he was under contract to finish the year here and had been able to obtain suitable housing for his family, which includes a five-months-old child. Wickert's home is Marion, Illinois. He will assume duties on Jan. 31.

Kutil will take a leave of absence which will extend at least until the end of the school year. The recurrence of an old ailment caused him to be operated on, on January 7th at Mayo Brothers clinic, Rochester, Minnesota, and he has not returned to the school. A letter received from him at the school today told of his recovery, and that a gradual improvement of his condition is expected.

Birkhead said that Kutil will be back at the school in an advisory capacity as soon as he is able, but that the new teacher was secured to make sure that he would have time to recuperate completely before going back to his duties.

Legion Splits Two Games With Silver Lake Last Monday

The local Legion cagers were held to a split win last Monday evening, when they met the Silver Lake team on the latter's floor at Wilmet gymnasium.

The Legion "B" squad took the first game easily by a 31 to 26 score but the first team took a shellacking to the tune of 51 to 33. Harry Shank starred for the B team with six field goals and two free throws, and Kenny Madson hooped one from the floor and sank six free tosses.

Bob Kraft and Dick Gutzloff were high point men for the major team with nine points each.

Antioch will meet Barrington at the Antioch gymnasium Monday, January 24 for two games. The first game will begin at 7:30 and the public is invited to attend.

Box scores for the Silver Lake game:

"B" Squad (31-26)	FG	FT	P
W. Reeves, rf	1	2	0
C. Hills, lf	2	1	1
K. Madson, c	1	6	1

Wm. Schroeder Is Re-Elected Pres. Of 1st National

Wm. E. Schroeder, was re-elected president of the First National Bank of Antioch at the recent annual meeting. Schroeder had been elected to fill the unexpired term of the late C. K. Anderson, who had held the office for many years. Schroeder had formerly been a director of the bank.

Other officers elected were E. J. Sletten who was elected a director to replace Schroeder and the balance of the directors who were re-elected to office. Other directors are O. S. Klass, Russell Barnstable, H. J. Krueger, Ed F. Vos, and Wm. A. Rosing.

The annual report showed that the bank has had a very successful year, and a dividend of 6% was voted.

Mr. and Mrs. J. E. Kopriva left Sunday for three week's trip through Florida.

Vote Against Polio

Friday, January 14, marked the opening of an 18-day parade in the United States—the 1949 March of Dimes of the National Foundation for Infantile Paralysis. In that little more than two-week period the American people will write their own ticket against infantile paralysis, which in the past six years has stricken more than 100,000 American citizens, almost 28,000 during 1948 alone.

One of the main facts to remember about polio is that it is not primarily a fatal disease. Only about five to ten persons out of a hundred who contract it will die. And another fact is that 50 per cent of those infected by polio recover completely.

Yet, today there remains a drab overtone of darkness in the infantile paralysis picture. When polio strikes with paralytic force, often many lengthy years of hospitalization and treatment comprise the calendar of the disabled.

Aside from the victim's pain and suffering, there is also the cold factual problem of doctor and hospital bills. Not one family in ten can afford to pay for full or even partial care of a case requiring more than a nominal hospital stay!

That's where your March of Dimes steps in to lighten the dark outlook. Besides financing research seeking the final answer of how to prevent and cure polio, March of Dimes funds are paying for the best available medical care and treatment of polio patients throughout the nation—whether or not they were stricken in the 1948 epidemics or in years gone by.

Yes, not one family in ten can afford to pay when polio strikes. But, every family can contribute to the March of Dimes. By so doing they help guarantee prompt and adequate aid to themselves and their neighbors should the disease attack them.

Remember the 1949 March of Dimes, January 14—31. Join in that great parade. Every time you give a dime or dollar you lend a mighty, helping hand. It may be to yourself.

LAKE VILLA

"Things that Abide, Faith" is the sermon topic announced by Rev. T. E. Rodd for the worship service at the Community church next Sunday morning at 11 o'clock. You are welcome. There is a nursery for small children during the worship hour.

Mrs. Eaton and Mrs. Rodd were hostesses at the W. S. C. S. meeting at the church basement last Wednesday afternoon and Mrs. Charles Hamlin led in the devotional period. The ladies are already preparing for the summer sale and sewed strips for rugs during the afternoon. Visitors are always welcome.

Mrs. Marie Hamlin went to Oak Park last Wednesday morning and attended the funeral of her uncle, Theodore Brabec on Thursday.

Mr. and Mrs. Alfred Hansen and Mrs. Alice Jame-Powell and daughter left before Christmas for the west and Mr. and Mrs. Hansen have been in California while Mrs. Jame-Powell and daughter are vacationing in Arizona.

Gene Nickerson, son of Mr. and Mrs. Harry Nickerson and who went to California last fall to be with his sister, Juanita, has recently joined the Marines, so he will see the world and also go on with his education.

Bruce Hamlin, son of Clayton Hamlin, reported in Waukegan for duty in U. S. Army on Monday.

Mr. and Mrs. Walter Sorenson, of East Shore Gardens spent Sunday with Mr. Sorenson's brother and family in Oak Park, and Mrs. Olga Fischer went in with them to spend a few days with her brother and family in Chicago.

Mrs. Walter Sorenson was in Chicago last Thursday to attend a fashion show sponsored by the Women's Auxiliary of which she was a former member.

Mr. and Mrs. Earl Hucker left Sunday to drive to Florida to spend a few weeks.

Mrs. James B. Gurren and daughter who have been living in Portland, Oregon, are visiting her parents, Mr. and Mrs. J. R. Williamson. Mr. Gurren, who is in the employ of the Penn. Ry., has been transferred to St. Louis and they are having the usual difficulty in finding an apartment.

Mr. and Mrs. Ben Cribb went to Chicago last Friday and remained in the city until Sunday. Mrs. Bonde Olson stayed with the Cribb children, Jay and Nancy.

Mr. and Mrs. Larry Williamson and son, of Chicago, were out Saturday to spend the day at the J. R. Williamson home and Mr. and Mrs. Edwin Kapple and children spent the day with Mr. and Mrs. Albert Kapple.

Mr. Philip Wagner, Sr., is confined to his home by illness.

The Neighborhood 500 club met at the Clarence Blumenschein home last Saturday evening and Mr. and Mrs. Leo Barnstable, Mrs. Rose

More Pay for Less Work Again?

Early in 1949, John L. Lewis and other officials of the United Mine Workers will meet with representatives of the operators of the soft coal industry to negotiate a new wage and working agreement. It now appears that a major demand to be made by the union will be for a 30-hour work week and a six-hour working day. The union, of course, wants miners to gain this benefit without accepting any cut in their weekly pay.

It is too early to evaluate the potential effect of such a demand as this on the industry. But it is worth recording that a spokesman for the National Coal association said that it would be "disastrous to the coal industry and the country."

In any event, when the time comes for debating the problem the public should have a good factual understanding of the miner's position.

First of all, soft coal miners receive the highest wage of any comparable group in the world. The average wage is in the neighborhood of \$77 a week. A large percentage earn \$100 a week and more.

Second, the miners have won many other benefits. Theoretically, they work an eight-hour day. This contains 1 and one-half hours of non-productive time—made up of travel time and the lunch period—for which they are paid. Thus, the mines pay for eight hours of work but receive only six and one-half. And the arduousness of coal mining has been much reduced by mechanization.

The question that should be uppermost in the minds of union chiefs now is just how far the miners or any other workers can go in demanding more pay for less effort, thereby driving up the cost of living another notch. Labor, after all, could conceivably price itself into widespread unemployment.

It's All a Plot

As we sit and contemplate the sunny January day outside our door, (not yet has the mercury touched zero this winter) our eye is caught by a headline across the room from one of the big dailies that come to our office with more or less monotonous regularity. The headline notes another fall of snow in California . . . that great vacation land, California.

Those people out there will do anything to attract attention. They are now out to disprove the saying, "You can't have everything." California will have everything or else the State's associations of commerce will know why.

We see it all as a plot to gain publicity. Even Florida has sunshine and palms and pretty girls bursting out of what are said to be bathing suits. Pictures of these little suntanned morsels against a background of miles of sand and blue water are no novelty and cause hardly a ripple of interest.

Now comes California, always in the van with the new, the odd and the goofy, and the shutters of the publicity cameras are busier than a man with an arm full of bundles rounding a slippery corner.

How California does it is a mystery. You can bet your last dollar the California Chamber of Commerce is behind it, somehow.

very much enjoyed. Mary Wolff and Shirley Slazes were presented in a dance and Mrs. Wolff accompanied them at the piano. A number of guests were present and after the program adjourned to the basement where ice cream roll and coffee were served. The next meeting will be in the afternoon of Jan. 25, beginning with pot luck dinner at 12:30, followed by the regular meeting at 2 p. m. This is the time when the secret pals of the past year will be revealed and new names drawn, so members are asked to make a special effort to attend if possible.

The first meeting in February will be an evening meeting on Feb. 8. The change from evening to afternoon during the winter months is

for the accommodation of members who drive some distance to the meetings.

THE NEW FUTURAMICS

FUTURAMIC—the most glamorous word in motor cars now applies to two great lines of Oldsmobiles. Not only the newly styled Futuramic "98"—but also a brand new Futuramic "76" with a new '49 Fisher Body that's lower, wider and offers greater visibility. And this year, Oldsmobile has struck a new balance of power with two great engines for these Futuramic cars. The new "Big Six" Engine in the "76" is more powerful than ever. And the new "98" is powered by the revolutionary "Rocket" Engine. It's a high-compression, valve-in-head eight—an engineering marvel that steps up horsepower to 135, yet actually cuts down on gas costs. Words can't describe it. You've got to drive it yourself for Oldsmobile's "NEW THRILL!"

White sidewall tires
optional at extra cost.

MILLBURN

Rev. L. H. Messersmith has chosen "He is a Christian" as the topic for the sermon Sunday, Jan. 23.

The Mylo group will meet at the home of Mrs. Roy Bonner Thursday evening with Mrs. Walter Stangard and Mrs. Chalmers Woolley as co-hostesses.

Millburn unit of Home Bureau will meet at the home of Mrs. Edward Kidera Friday afternoon with Mrs. Gordon Bonner as co-hostess.

The Millburn Cemetery Association held the postponed annual meeting in E. A. Martin's store Monday afternoon. The following officers were re-elected, R. G. Hughes, president; J. G. Bonner, secretary and treasurer; Ernest Wells, W. M. Bonner and Carl Anderson, directors.

Twenty-five young people of the Pilgrim Fellowship enjoyed "Fun Night" at the church Thursday evening.

Mrs. George DeYoung and son, David, is spending three weeks with her mother, Mrs. Ethel Saunders in Ellenburg, New York. She had the pleasure of attending the celebration for the 50th wedding anniversary of her grandparents, Mr. and Mrs. Harry Stark, of Ellenburg.

Mrs. Mattie Edwards and Miss Eva Webb, of West Chicago, were guests at the Webb Edwards home from Wednesday until Saturday.

Ralph McGuire attended the Illinois Nurserymen's Convention in the Hotel La Salle three days last week.

Mr. and Mrs. Jerry Loimau, of Waukegan, were supper guests of Mr. and Mrs. Robert Clark Sunday evening.

Mr. and Mrs. O. L. Hollenbeck, Mrs. Myrtle Savage and Mort Savage were dinner guests at the David Pullen home at Zion Friday.

Ronnie and Susan Edwards, of

Libertyville, spent Saturday with their grandparents, Mr. and Mrs. Frank Edwards.

Mesdames Edwards, Anderson, Robbins and Neahous spent Thursday afternoon with Mrs. Herbert Messner.

Mr. and Mrs. Harold Yukel, of Chicago, visited their uncle and aunt, Mr. and Mrs. Jos. Strohal Thursday.

Rev. L. H. Messersmith attended a meeting of Lake County ministers held at the home of Rev. Leslie Chapman in Waukegan Monday afternoon.

Mr. and Mrs. Herbert Messner and family spent Sunday with relatives in Chicago, and called on the former's father, Chris Messner, who is ill in a hospital.

Rev. and Mrs. L. H. Messersmith entertained the members of the church board and their wives at a buffet dinner Friday evening at 7 o'clock. Guests were Mrs. Mae Boller, Miss Vivien Bonner, Messrs. and Mesdames D. H. Minto, J. S. Denman, L. S. Bonner, Theodore Engh, Verlon Groves, Paul Erickson, Carl Anderson and Don Truax.

Mr. and Mrs. Ed Hoffman and

sons were callers at the George Sheldon home at Fourth Lake Sunday afternoon.

Mr. and Mrs. Jack Neahous and son, Charles, of Antioch, and Mr. and Mrs. Chris DeYoung spent Sunday afternoon at the O. P. Neahous home.

Mrs. Robert Randall, of Waukegan, was a supper guest at the George DeHaan home Friday evening.

Mesdames Hollenbeck, Laursen,

Elfering, Bolton and Murrie were luncheon guests of Mrs. Herbert Messner Monday afternoon, preceding the committee meeting of Millburn unit of Home Bureau.

Mr. and Mrs. O. L. Hollenbeck, Mrs. Myrtle Savage and Mort Savage spent Friday evening at the Curtis Wells home.

Mr. and Mrs. Victor Kolb and Mrs. Kolb, Sr., of Maywood, spent Thursday at the Webb Edwards home.

Mr. and Mrs. Howard Bonner and sons were supper guests at the Russell Doolittle home in Antioch Sunday.

Mrs. Ralph McGuire gave a sur-

prise party for their son, Billy, in honor of his 8th birthday Monday afternoon.

Mr. and Mrs. Roy Bonner and family spent Sunday at the A. N. Truax home at Elkhorn, Wis.

A Bright Idea... a Right Idea...

POULTRY HOUSE LIGHTING

Keeps 'em Shelling Out!

By giving their flocks a chance to eat and drink for 13 or 14 hours a day with poultry house lighting, poultrymen are keeping their layers working overtime on the egg production line. Keeping hens busy eating and drinking keeps production at a peak when prices are highest. Just a few small bulbs and an automatic time switch are all that's needed to get the birds into high production in their pullet (or first) year... the year when hens ordinarily lay their maximum number of eggs.

Now is the time to switch to more eggs, greater profits with poultry house lighting!

Consult one of our Ag Engineers for details
—he'll be glad to help you.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

SOCIETY EVENTS

Thomas Quilty and Kathleen Fields Are Wed on January 15

A quiet wedding at the home of the bride's mother, Mrs. J. B. Fields, united Thomas Quilty, son of Mr. and Mrs. Thomas Quilty and Kathleen Fields in marriage on Saturday, January 15.

The young couple left Saturday for a honeymoon trip, after which they will make their home in Joliet, Illinois. Both the bride and groom are graduates of Antioch Township high school.

INDIAN POINT CLUB STARTS NEW YEAR WITH MEETING AT BENES

The Indian Point Woman's club held the first meeting of 1949 at the home of Mrs. Emilie Benes on January 13. Plans for the coming year were discussed. A card party for members is scheduled to take place on January 27, at the home of Mrs. Gertrude Flint. A new member, Ann Paddock, was welcomed into the organization.

REBEKAH LODGE HAS SCHOOL OF INSTRUCTION

Mrs. Grace Baird, of Waukegan, treasurer of the Rebekah State Assembly, held a school of instruction at the I. O. O. F. Hall in Antioch on Wednesday, January 19. Sessions were held both in the afternoon and evening. Between sessions a pot luck supper was enjoyed by twenty-two members.

RELIGIONS OF CHINA AT MYF ON SUNDAY

The Senior MYF and Young People's MYF of the Methodist church will hear about the religions of China this Sunday. The discussion group gets under way at 4:30 and speakers in each of the two groups will tell briefly about Buddhism, Confuciusism, Mohammedanism, and Christianity. The Intermediate MYF will have a special program entitled, "Air Waving the Gospel."

The worship service which follows the discussion group will be led by the Young People's MYF. A Chinese Tea will follow the worship service. This is being arranged by the Senior MYF and will feature a real Chinese dish. Young people from the 6th grade are invited to participate in one of the three MYF groups.

MOLTERS MEET ANTIOCH RESIDENTS IN FLORIDA

A letter from Ann and Bill Moler, who are wintering in Ft. Lauderdale, Fla., relates chance meeting with many who are regular residents here. On a motoring trip southeast of Miami, Bill was startled by someone calling "Hey Bill!" Upon stopping he found Mr. and Mrs. Earle Gibbs who were fishing, and a little farther along he was hailed by Mr. B. Johnson and Mr. John Erickson, both of Channel Lake.

The Molers said that the News is passed on to three other families from here each week at Ft. Lauderdale.

METHODIST MEN TO DISTRICT MEET

Fifteen men from the Antioch Methodist church have made reservations to attend the Chicago Northern District Dinner at Lake Forest College. Mr. M. C. Cain, Lay Leader of the Church has made the arrangements for the dinner, the first of its kind to be held.

MRS. NELSON ENTERTAINS AT BIRTHDAY DINNER

Mrs. Effie Nelson entertained the following guests at a birthday dinner in honor of herself and grandson, Jack Nelson, on Tuesday evening, Mr. and Mrs. Frank Davis, of Grayslake, Mr. and Mrs. George Bacon, Mr. and Mrs. Lester Nelson and family, Mr. and Mrs. W. J. Meyer and son, Mrs. Lowell Smock and son, Donald and Mr. and Mrs. J. E. Horton.

PLAN PUBLIC CARD PARTY

The Rebekah Lodge will hold a card party at the I. O. O. F. hall Monday evening, Jan. 31. The public is invited to attend. There will be bridge, pinochle, 500 and buncle played.

Mr. and Mrs. Sid Gover, of the Trading Post left a week ago for a five week trip through the south and southwest. When last heard from they were held up in Texas waiting better weather conditions.

Mrs. Fred Gross, of Grass Lake Rd., was hostess to the Grass Lake pinochle club Jan. 12. Prizes given to Mrs. Vic Nix, Mrs. W. Dunworth, Mrs. Fred Dittmer, and Mrs. Phil Franchi. Double pinochle prize awarded to Mrs. Vic Nix.

Mr. and Mrs. W. J. Meyer, Jr., and son, Billy, Mr. and Mrs. J. E. Horton and Mrs. Effie Nelson were Sunday guests of Mr. and Mrs. H. E. Hufendick and family, of Chicago.

Veterans May Apply For Gov't Insurance

Veterans who did not take advantage of government insurance while in service during World War II may apply at any time.

The law governing National Service Life Insurance provides that all veterans who saw active duty between October 8, 1940 and September 2, 1945 are eligible to apply for this low-premium insurance.

A physical examination must be satisfactorily passed by the applicant and one month's premium must be submitted at the time of application. Amount of insurance can be any sum in multiples of \$500 between \$1,000 and \$10,000.

Veterans who maintained government term insurance for any period of time and subsequently permitted it to lapse can have their insurance reinstated at any time by passing a physical exam and paying two months' premiums.

Service officers of the Illinois Veterans Commission in all of the 102 counties of the state have been instructed on these specific benefits of National Service Life Insurance. They are ready to assist any veteran or to furnish information as required.

In Lake county the office of the Commission is located at American Legion Home, Waukegan.

Bartlett Urges Co-Operation in March Of Dimes Campaign

A special proclamation appealing to every citizen of Antioch, "to join zealously" in the 1949 March of Dimes, January 14 to 31, was issued today by George B. Bartlett, village president.

The proclamation disclosed that more than 100,000 polio cases have occurred during the past six years, and that in coping with last summer's severe outbreaks—among the worst in history—almost 28,000 cases on record—the National Foundation for Infantile Paralysis exhausted its emergency epidemic aid fund, a sum of over sixteen million dollars having been expended thru the Nation.

"The 1949 March of Dimes," Bartlett said, "provides the only means by which the National Foundation and its chapters may continue to fight infantile paralysis, by aiding those stricken, while financing research to find a preventive or cure."

Agent of F. B. I. To Present Program At H. S. Social Group

An agent of the Federal Bureau of Investigation will present a program and talk at the next meeting of the Parents Social organization at the Antioch township high school to be held on Tuesday, February 8. The program will be instructive in nature and is designed to acquaint the listeners with the workings of the bureau. The public is invited.

Card Party Nets \$180 For Grass Lake PTA Fund

Twenty-four tables of cards were in play at a card party given by the Grass Lake PTA at the Ed Smith resort last Saturday, January 15. Net profit from the party will be used for PTA purposes at the school.

Mrs. William Dunworth was chairman of the committee in charge of the very successful affair.

PTA Enjoys Talk On Foods Monday

A large crowd was on hand Monday evening at the regular meeting of the Antioch Grade school PTA, to hear an address by Mrs. J. Heick. Her subject was "The Evolution of Foods" and covered the subject from 1887 to the present time. The talk was called very interesting and informative by those who heard it. Mrs. Heick was introduced by Mrs. Morris Pickus, vice president of the PTA.

The second grade was winner in the attendance contest, by having the largest number of parents present. Mrs. Richard Whitacre is second grade teacher. A committee of third grade mothers headed by Mrs. Lester Osmond furnished the refreshments. She was assisted by Mrs. Verne Barnstable, Mrs. Clayton O' Haver and Mrs. Spencer Miller. Mrs. John Atkinson is teacher of the grade.

RICHMOND PUBLISHER HOME FROM HOSPITAL

A. J. Johnson, publisher of the Richmond Gazette, was released from Sherman hospital, Elgin this week, and is at his home in Richmond. He had been in the hospital for several months.

Mrs. and Mr. Art Meyer are the parents of a baby girl, born Friday, January 14, at Victory Memorial hospital, Waukegan. The baby has been named Candace Ann.

YOUR INCOME TAX

by John T. Jarecki, Collector of Internal Revenue for the First District of Illinois

Income Splitting for Income Tax Purposes

It is to be remembered that the Revenue Act of 1948, altho it is usually referred to as a community property law, it is in no sense a community property law. Property rights, laws of descent and ownership of income are in no way affected by its passage.

The new law gives the benefits of splitting income to married couples of all states. Heretofore these benefits have been for married couples in community property states only. This is accomplished by giving husbands and wives in all states the right to file joint returns on which their combined net income and their combined exemptions are divided by two; the tax is then computed on half the income and such is multiplied by two.

This income splitting results in the same tax in a common-law state as is payable on the same amount of family income by residents of a community property state.

In order to split the income it is necessary for a couple to file a joint return (it cannot be done on separate returns). The gross income

of husband and wife must be totalled. Their deductions must be totalled. The net income is then divided by two and the tax is computed on half of the net income allowing one-half of the combined exemptions. This result is multiplied by two in order to obtain the tax on the combined income of husband and wife.

The tax saving effected by income splitting will vary according to the size of the combined income and the division of it between husband and wife. If the incomes were equal no saving would be made. If, however, all the income or a large percentage of it belongs to one spouse while the other has little or no income, a large saving would result especially if the income is large enough to put the tax in the higher surtax brackets.

The following examples will show how tax is saved by allowing

a married couple to split income:
Income, \$6,000.00, tax on separate return \$787.84, tax on joint return, \$748.72.
Income 10,000.00, tax on separate return \$1,794.56, tax on joint return \$1,399.68.
Income 20,000.00, tax on separate return \$3,948.16, tax on joint return \$3,048.16.

Before you file your return be sure that you have chosen the method of filing and computing your tax which is most advantageous to you. If necessary consult one of our offices.

WE DELIVER

Ice Fishing To Be Better By Snowfall Tues.

Ice fishing shows promise of being very good this weekend. The recent thaw and rain broke up some of the ice in the Chain O' Lakes. This plus the clear ice caused the catch of fish to fall off the past few days.

The temperature around the Chain O' Lakes area is now about 12° which will thicken the ice plenty by the weekend. There is about five inches of snow on the ice which will make for better fishing. The best spots are: Bluegills, west shore of Lake Marie; crappies, Petite Lake; northern, Grass and Nippersink lakes.

Bluegills have been biting best on weed worms and yellow flies.

Card Party To Benefit Scout Home Feb. 15th

A date for the first of a series of card parties, to help maintain the Scout home has been set for Tuesday, February 15, according to information furnished by Mrs. K. N. Dietrich, senior girl scout leader.

Both the senior and intermediate scout girl troops will co-operate in planning the party. The party will be held at the scout home and refreshments will be served.

Undulant Fever

Undulant fever is transmitted to human beings from infected livestock. In cattle the infection is known as "Bang's disease." Medical history shows various forms of undulant fever—one which scarcely makes patients ill and another which causes extreme illness for weeks. Most patients are moderately sick over a long period of time; two years of treatment may be required. Nearly all persons who have undulant fever recover.

Fowl Pox

Fowl pox is an old enemy of the poultry flock. It can be prevented by vaccination when the birds are a few weeks old, and pullet flocks which have not been previously immunized can be protected by vaccination with pigeon type vaccine when they are placed in the laying house. Pigeon type vaccine gives temporary immunization; and the vaccination will prevent outbreaks of fowl pox which might stop egg production for four weeks or more.

Egyptian Oil

Oil has been produced in Egypt for a great many years, but not in important quantities. The western portion of Saudi Arabia is not regarded as having oil potentialities.

Public Notice

Notice of Proposed Change in Schedule G-6

The Public Service Company of Northern Illinois hereby gives notice to the public that it has filed with the Illinois Commerce Commission on January 3, 1949, the following proposed changes in its gas rate schedule:

1. A list of communities supplied gas service, revised to indicate those communities recently converted from mixed gas to natural gas or recently incorporated.

2. Rate 37, Industrial Volume Gas Service—Off-Peak. Gas is served under this rate to certain large industrial customers who use some other form of fuel during the peak period which includes the winter months. It is being refilled so as to eliminate the possibility of gas being used for space heating during the peak period and to limit the use of gas for such purposes during the off-peak period. Other changes are designed to conform the use of gas under this rate with the Company's present load conditions.

3. Rider 2, Gas Main Extension. This rider is refilled to make effective its refund provision for gas main extensions in the future, where an advance deposit is required, in accordance with a proviso contained in Rules 21 and 22 of the Commission's General Order No. 159.

Further information may be obtained with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed changes in the schedule may be inspected by any interested party at any business office of this Company.

Uncle Sam Says

Many of my nieces and nephews are going to wake up the day after Christmas and realize they are broke. Many thousands of others will awaken to find they are well on the way to financial security. And the difference will be found in the regular automatic purchase of U. S. Savings Bonds. And the nice part of this is that it can happen to you. If you're not saving money as you'd like to, and you know you ought, get on the Payroll Savings Plan where you work. You'll have \$4 for every \$3 you invest, in only ten years. If self-employed, your bank will enroll you for the Bond-a-Month Plan. Sign now and part of your pay check is put into safe, sure, profitable U. S. Savings Bonds before you get a chance to spend it.

U. S. Treasury Department

Worm Medicines for Foals

Veterinary authorities are not in favor of giving worm medicines to foals at weaning time, because the most dangerous species of internal parasites have not yet reached maturity and are not accessible to the action of drugs in the intestine.

Important Years

It has been estimated that one year of right feeding in the life of a child is more important than 10 years of right feeding after he is fully grown.

You'll be riding a Winner this winter!

LIGHTLY spur that Buick thoroughbred of yours. Feel it surge ahead with a sure-footed stride, stepping out in front to set the pace—with never a murmur or complaint.

Yes, you can have quiet, lively horsepower like this, and a chassis that's free of stiffness and winter squeaks—if you let us keep your Buick in tiptop shape.

Take lubrication, for example. For the price of a routine "grease job" elsewhere, we turn our Buick-trained men loose on a complete, tailor-made lubrication service

from hood latch to trunk handle. They make a regular habit of extra care, such as dropping a spot of graphite on the carburetor heat-control shaft, or using a special, non-sleeve-soiling lubricating stick on your door strikers—and we could list a dozen more.

The point is, these mechanics are Buick specialists of long and patient experience—they know your Buick and its needs better than anyone else—and they take pains to keep you happy with it.

Yet you don't pay a penny more. Why not drop in this week?

Cold Wave Coming?

Let us set a date for checking over your cooling system sometime this week. Here's our prescription for protection:

Drain radiator, engine block and car heater — flush out summer sludge. Inspect radiator core for leaks. Check hoses for deterioration or loose connections. Examine thermostat control. Adjust fan belt tension. Tighten cylinder head. Put in genuine Buick antifreeze.

Buick care keeps Buicks best

Merlin Peterson, of Madison, spent the weekend with Mr. and Mrs. Winn Peterson.

Mr. and Mrs. Arthur Hartnell, of Salem, spent Saturday with Mr. and Mrs. R. C. Shottliff.

Mr. and Mrs. Art Fettes and Betty Shultz, of Paddock Lake, Mr. and Mrs. Charles Hofner, of Bur-

lington, were Sunday guests of Mr. and Mrs. Mike Seitz.

Mr. and Mrs. Peter Van Slochteran and Roger, of Bristol, Flavia Ehler were Sunday guests of Bertha Harms.

Mr. and Mrs. Frank Zarnstorff, Sr., were Sunday night visitors of Mr. and Mrs. Herman G. Frank.

Deer Feeding

Nearly 1,000 tons of alfalfa hay and concentrated deer food were distributed in Wisconsin's deer yards during 1947 to feed an estimated number of only 23,000 deer. The cost of this operation \$72,000, along with the required payment of deer damage claims amounting to over \$55,000 in 1947, has brought about the general concession by game biologists that deer feeding is a waste of effort and money.

Fact and Scripture

Our present age with all its modern conveniences designed to make life more pleasant and easier is commendable, yet we may not be "getting the most out of life." Joy and happiness is what we all seek after. All too often it is so short lived. There is a key, find Jesus. The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

John 10:10

HICKORY

Mr. and Mrs. Clarence Webb, of Kenosha, were callers at the Gordon Wells home Friday afternoon.

Mr. and Mrs. Donald Crawford and two children, from Waukegan, were Sunday afternoon visitors at the William Strahan home.

Mrs. M. E. Van Patten and children, John and Judy, were supper guests at the William Thompson home Thursday in honor of Mrs. Van Patten's birthday anniversary.

Carl Kihlstrom, of Chicago, spent the weekend with his grand father, Samuel J. Handley.

Mr. and Mrs. O. L. Hollenbeck and Mrs. Myrtle Savage and Mort Savage, of Millburn, were Wednesday evening callers at the Curtis Wells home.

Mr. and Mrs. William Gerber were Waukegan shoppers on Saturday afternoon.

Dr. and Mrs. P. P. M. Jorgensen and daughter, Cora, of Kenosha, were Sunday afternoon callers at the Will Thompson home.

Keep That Body Beautiful

Minor automobile skirmishes happen to the best of us, especially in winter driving. So don't get too hot under the collar when some road hog side-swipes you in traffic and leaves his "fender-prints" on your car. Drive her in to us... We make scratches, dents or nicks a thing of the past. And what an eye for color our man has. So help us, you'll never even know you've been touched.

*Simultaneous with the
Announcement of the
Beautiful All - New 1949
CHEVROLET*

is the invitation by the

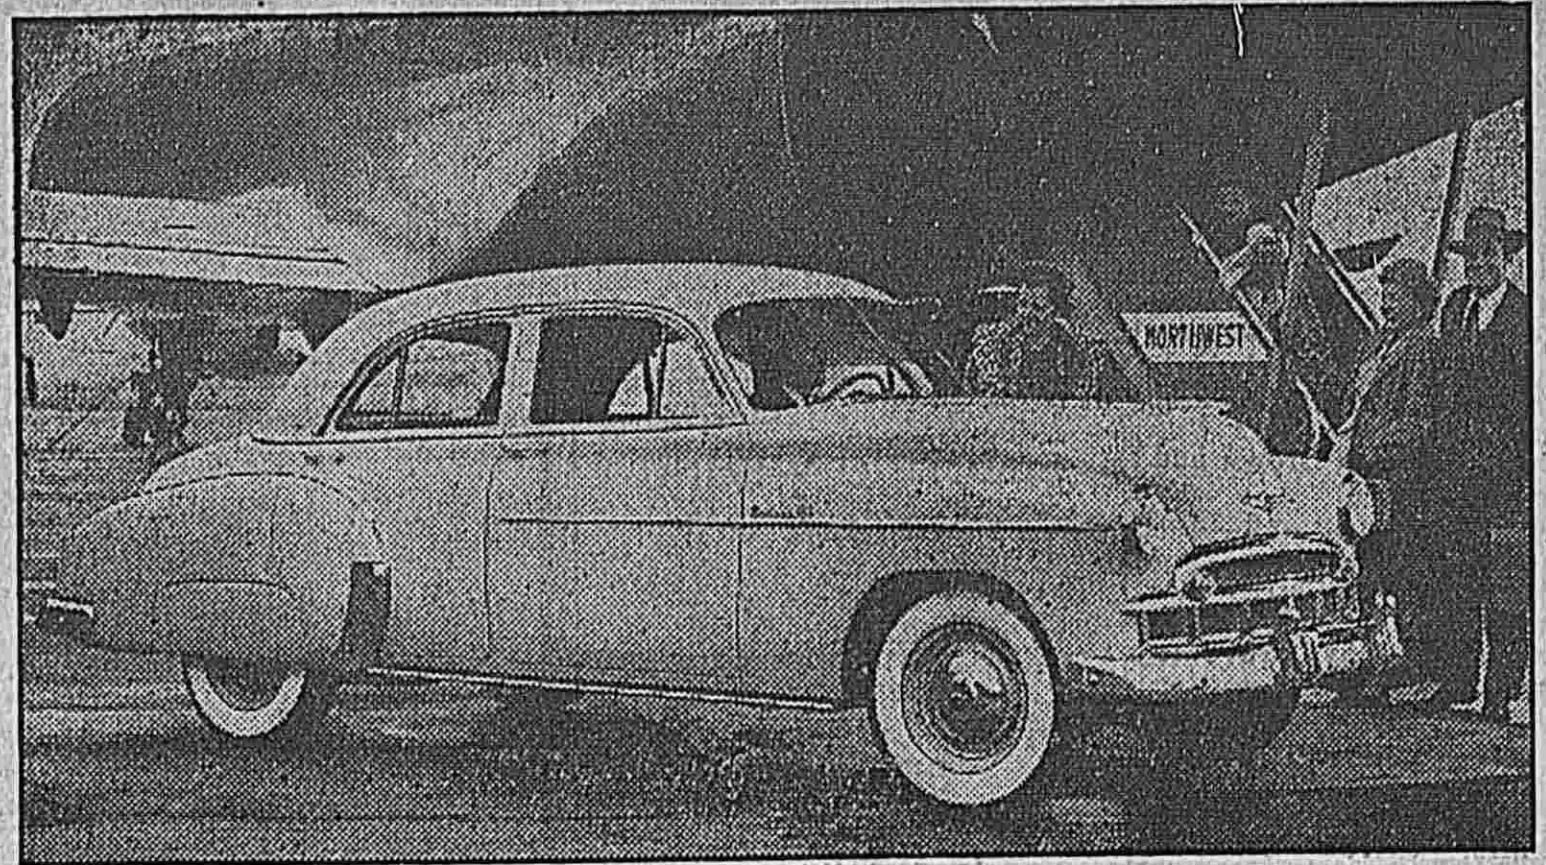

R & J Chevrolet Sales, Inc.

Antioch, Illinois

*to the motoring public, to visit and inspect the completely modernized showroom,
parts department and service department of the local Chevrolet dealership.*

The dealership, which was organized December 10, 1933, moved into the original part of the garage in December, 1940. The modernization, which has just been completed, has added additional space for showroom purposes and an area of 2700 sq. ft. for service facilities.

The service department, headed by Frank Lux, can handle 18 cars at one time. It is easily accessible through the use of three doors, the main entrance having an electrically powered door. The department is completely departmentalized—the areas as they are arranged around three sides of the space including motor tune-up, transmission, rear axle, truck repair, body work, painting, front end alignment, brakes, wash, polish, and lubrication. All the services are offered under one roof, which is advantageous as regarding the rendering of complete service to the firm's customers.

L. to R.—Ed Simonsen, Aug. Rentner, Hennie Ellis, Art Smejkal, Jim Boerman, Norm Jedele, Tom Miller, Frank Lux, Bill Hardtke, Elmer Reatner, Wallie Garver, Ronnie Gaa, Walt Sorenson.

Special attention was given to comfortable working conditions. Fluorescent lighting fixtures are over all of the mechanic's work spaces and heating blowers keep the entire area at a uniform temperature. The best in shop equipment has been provided. Work benches are fitted with tool chests, electrical and air lines supply compressed air and electrical welding outlets.

The dealership maintains two service trucks, one, a tow truck with a power-driven hoist, which is available for twenty-four hour a day service.

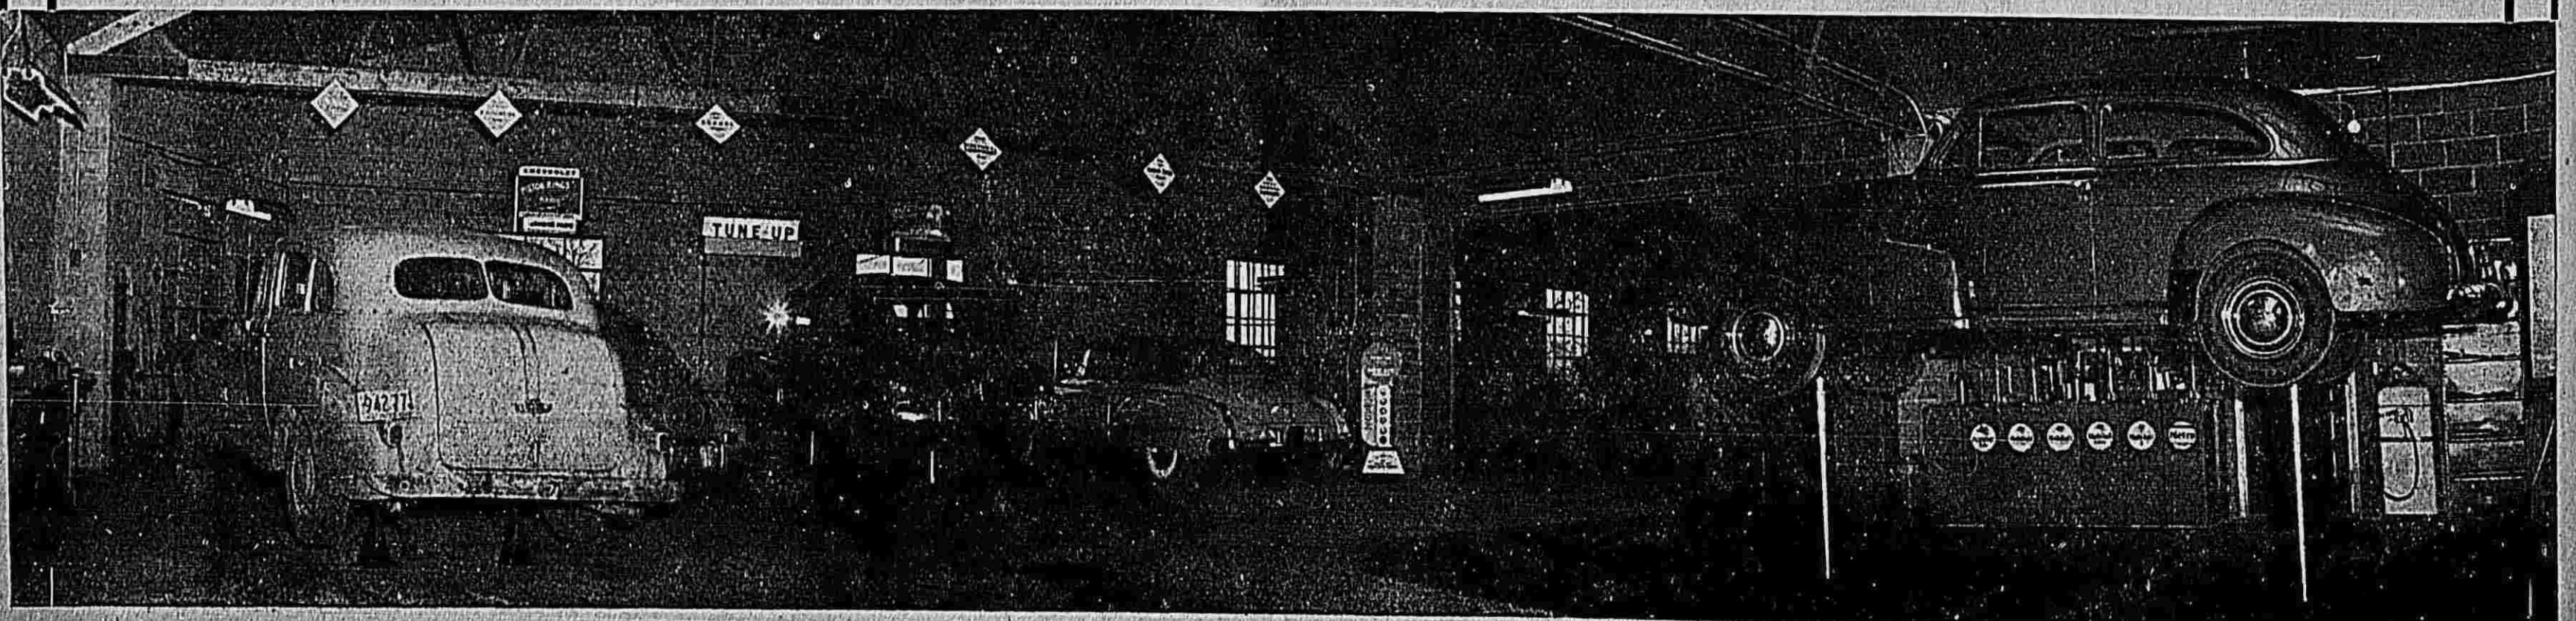

The parts department, headed by Arthur Smejkal, occupies the entire south side of the show room. Parts bins and table have been arranged for the efficient handling of the large supply of parts and accessories. Special attention is given to the ever-growing parts wholesale business.

A portion of the service department has been utilized for the display of used cars. This display, together with the use of the used car lot, can accommodate approximately 20 automobiles.

Follow-up endeavors are regularly carried on. Monthly direct mail pieces are used by both the service and the parts departments, in addition to approximately 350 copies of "Friends" magazine.

Super Chevrolet road signs are spotted throughout the Antioch area. Chevrolet display posters are changed monthly, all of which combined with newspaper advertising keeps the name of the R. & J. Chevrolet Sales, Inc., and all it has to offer, before the public.

**You are invited to inspect our new building and equipment
Saturday until 9:30 p. m. and Sunday until 5 p. m.**

1949 Chevrolet Will Be on Display At R&J Saturday

A product of three years' development work and more than a million miles of engineering research, the 1949 Chevrolet goes on display in dealer showrooms here Saturday.

The latest model has been completely restyled. It is lower, wider and more distinctive than any previous series. Not only does the design introduce superior beauty to the lowest-priced ranks, but numerous body and chassis improvements promise to add to Chevrolet's reputation for comfort, safety and convenience.

Two series of cars, the Fleetline and Styleline, are included with De Luxe treatment an option in most body types. De Luxe cars lay in fabrics, trim and appointments, creased emphasis on the styling of

In both styling and performance, the 1949 series continues the "big car" aspects that have always been traditional with Chevrolet. The design is fresh and substantial-looking without approaching the extreme.

Aerodynamics an Influence on New Car Styling

Pictured with a U. S. Air Force jet fighter plane, Chevrolet's Fleetline De Luxe four-door sedan exemplifies the clean, flowing surfaces that are the essence of modern transportation styling. Fleetline sedans are distinguished by the unbroken sweep of the roof line over rear quarters of the car. A two-door model is also available.

Lock Children In
When children are left in the back seat of an automobile make sure the doors are locked.

Too Many Mistakes
Pencil industry uses about two and one-quarter million pounds of rubber per year for erasers.

Important Indian City
Hyderabad, fourth largest city in India, compares with Pittsburgh in size.

Pointer for Dairyman
One of the first things that a good dairyman should watch is the condition of his cows.

Welcome the New CHEVROLET

ON DISPLAY SATURDAY

The most Beautiful BUY of all

We cordially invite you to see the new Chevrolet for '49—the first completely new car the leader has built in more than seven years—and the most beautiful buy of all!

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety, and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the lowest

prices and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the newest of all new cars—pre-tested and preproved on the great General Motors Proving Ground—and predestined to win even wider preference for Chevrolet as the most beautiful buy of all, from every point of view and on every point of value. Come in and see it!

First for Quality at Lowest Cost

AMERICA'S CHOICE **CHEVROLET** FOR 18 YEARS

R. & J. Chevrolet Sales, Inc.

Antioch, Illinois

Phone 56

CHEVROLET

is the only car bringing
you all these fine-car
advantages at lowest cost!

YOU'LL PREFER ITS "LUXURY LOOK"!

Chevrolet's new Leader-Line Styling is lower, wider, rarer... with new Dyna-Cool radiator grille. Single-Sweep front and rear fender treatment, and fleet-as-a-rocket lines all around... by far the most beautiful development of the new "functional form" for motor cars.

MORE BEAUTIFUL FROM EVERY ANGLE!

The new Beauty-Leader Bodies by Fisher (with push-button door openers outside) are true masterpieces by the master builder of fine coachcraft... with superb lines, extra-fine upholstery and a wide variety of alluring colors... much more beautiful from every angle—inside and outside—front, side and rear.

MORE ROOM AT EVERY POINT!

The new Super-Size Interiors featuring extra-wide "Five-Foot Seats," give you plenty of head, leg and elbowroom as well as extraordinary seating space for six full-grown passengers; and you'll also notice that the giant rear deck has what amounts to "trunk room" capacity.

SEE ALL! ENJOY ALL!

New Panoramic Visibility, with wider curved windshield, thinner windshield pillars, and 30% more window area all-round, permits you to see all and enjoy all, and to travel in maximum safety.

THESE ARE CARS THAT "BREATHE"!

Yes, you'll enjoy the additional pleasure of riding in a "car that breathes," for a completely effective heating and ventilating system supplies warm air to every nook and corner of the interior—exhausts stale air—and keeps glass clear in all weather. (Heater and defroster units optional at extra cost.)

THE NEW RIDE'S A REVELATION!

A vastly improved Utilized Knee-Action Ride, combined with new direct-acting airplane type shock absorbers, front and rear, and extra low pressure tires, gives the stability, smoothness and road-safety you have always wanted.

THERE'S ONLY ONE WORLD'S CHAMPION ENGINE

You get the finer results of Chevrolet's sturdy Valve-In-Head Thrift-Master engine in all Chevrolet models... together with all of Chevrolet's money-saving economy of operation and upkeep... and this is the world's champion engine for miles served, owners satisfied, and years tested and proved.

JUST COUNT THE COMFORTS!

Push-Button Starter for simplest, easiest starting; Hand-E-Gearshift, with Synchro-Mesh Transmission for maximum shifting ease; and Firm Foundation Box-Gridler Frame for ride-stability and road-steadiness unsurpassed in the Chevrolet price range.

STOP MORE SWIFTLY AND SAFELY!

The new Anti-Safe Hydraulic Brakes give even faster stops with safety... and assure the highest degree of effective braking action for you and your family.

YOU'LL SAVE MORE MONEY, TOO!

This new Chevrolet is designed, engineered and built to speed your miles and spare your pocketbook, for it brings you all these and many other important improvements at the lowest prices and with extraordinary economy of operation and upkeep.

Plus NEW CENTER-POINT DESIGN!

A remarkable 4-way engineering advance exclusive to Chevrolet in its field, and consisting of Center-Point Steering—Center-Point Seating—Lower Center of Gravity and Center-Point Rear Suspension gives the new Chevrolet riding and driving results without precedent or parallel in low-cost motoring. That means a new kind of riding ease and a new kind of driving ease heretofore reserved for owners of more expensive cars. Remember—only new Center-Point Design can give you all these finer motoring results; and only the new Chevrolet brings you Center-Point Design at lowest cost!

Adjudication and Claim Day Notice
NOTICE IS HEREBY GIVEN to all persons that the first Monday of March, 1949, is the claim date in the estate of George M. Gollwitzer, Deceased pending in the Probate Court of Lake County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons. All claims filed against said estate on or before said date and not contested, will be adjudicated on the first

Tuesday after the first Monday of the next succeeding month at 10 a. m.
William P. Hattendorf, Executor
Edward C. Jacobs, Attorney
Antioch, Ill. (23-25c)

Keep 'Em Separate
Old hens and pullets should be kept separate from each other.

Soll Treatment
Soll treatment and fertilizers add to the feeding quality of crops because of the chemical nature of the basic elements they contain.

Safety Shields
Keep shields over revolving power take-off shafts. Many accidents occur at these places on machines when they are left unprotected.

WANTED

live wire Salesman or established dealer to sell Montgomery Wards line of tires, batteries and accessories. Man selected will be thoroughly trained, upon completion of which, will be assigned a protected territory in and around Antioch. For further information and particulars call or write

FOR YOUR PROTECTION
GET JOHNS-MANVILLE
HOME INSULATION

Owners have learned by experience to examine the quality of materials used for Home Insulation. Cheap rock wool may lack a number of the qualities imperative for efficient and permanent insulation of buildings. Johns-Manville produces Rock Wool to meet the most exacting requirements, thus protecting you and safe-guarding an eighty-five year reputation for reliability of products.

Johns-Manville Type A Rock Wool is manufactured from several types of rock blended to rigid laboratory standards for permanence of structure. It is sifted of shot and short fibres to obtain maximum insulating efficiency. It is nodulated at the factory to insure proper density and uniformity of coverage. It is fireproof, waterproof, and provides no food for vermin. It is guaranteed not to settle or disintegrate. Proper installation is assured when you have Johns-Manville Rock Wool "Blown In" sidewalls and attic of your building. Free estimate. Call Ernest C. Andreas, Dist. Mgr., Mundelein, Ill. Phone 622-W-2 or Lake Villa 3025.
